Message From HOD Languages

వీ
దీయా దదాతి పినయం
పినయాదయాతి హతరతం
హతరతహ దధనమావనోతి
ధనాదధరేమం తతన్సుఖం

పిదయ పినయాన్సినతుంది. ఆ పినయం వల్ల హతరత, దాసివల్ల ధనం, దాసివల్ల ధరేమబుద్ధి, తరువాత సుఖం లభిస్తాయే' అని సుభాషితకర్త చెప్పిన మాట అక్షరసత్యం. మనీషిక పిదయ అనేది ఎంత అవసరమో మనకు దీసివల్ల అర్థమౌతోంది.

అందుచేత సయమసిష్టలతో, కరమశిక్షణతో శరద్ధగా పిదయనభయించడం వల్ల మనకే కాక దేశవర్గతీక, అభ్యున్నతతీక ఎంతగానో దోహదపడుతుంది. ఈ పిషయాన్సిన దృష్టిలో ఉంచుకొని ఈ సంవత్సరం ఏప్రిల్, మే నెలల్లో జరగబోయే పరీక్షలకు హాజరు కాబోతున్న పిదయారథిసి పిదయార్థులు శరద్ధగా చదివి, మంచి మార్కులతో ఉత్తీర్ణులై చదువుకున్న వారశాలకు, చదువు చెప్పిన ఉపాధ్యాయ బృందానికి మంచి కీర్తివరతిష్ఠలను తీసుకు రావాలని మనన్ఘోరితగా కోరుకుంటున్నాను.

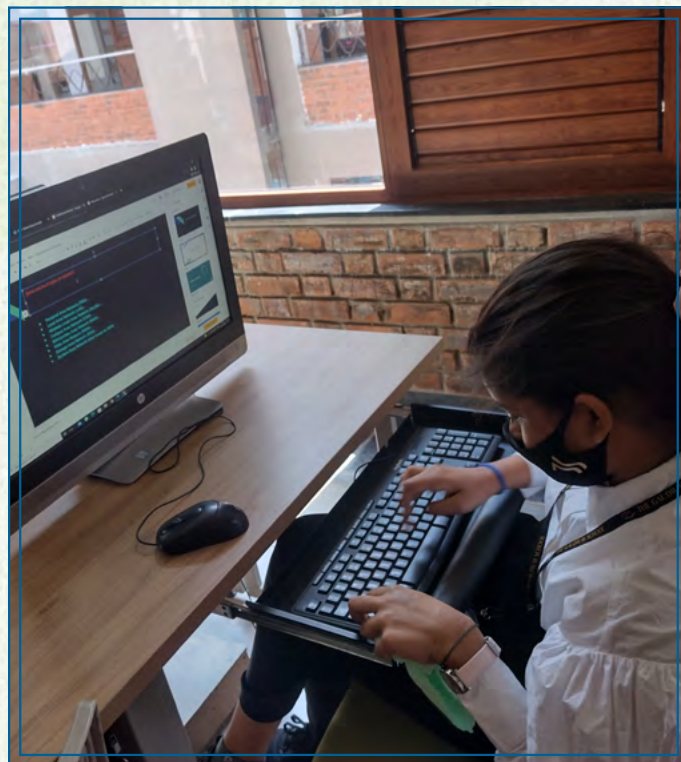

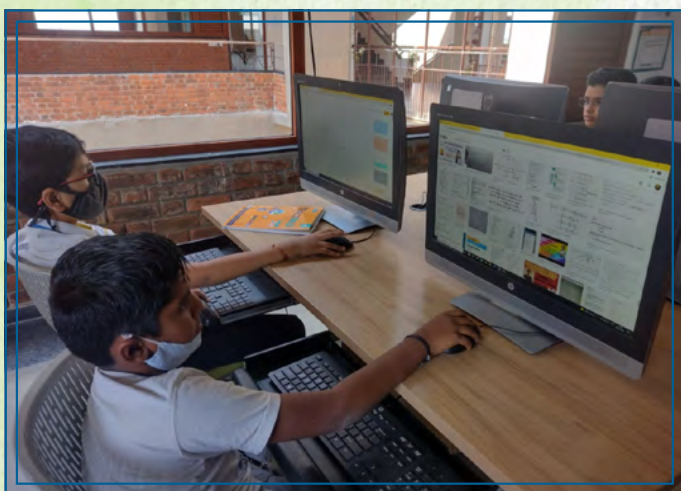

Regards
Mr. Murthy GVR
HOD Languages

HOLISTIC EXCELLENCE

ICT Activity

Technology like art is the soaring exercise of the human imagination. The artists at work in the ICT laboratory.

HOLISTIC EXCELLENCE

Math Activity

Discovering the magic of real numbers through hands-on activities.

HOLISTIC EXCELLENCE

Math Activity - Calculating BMI

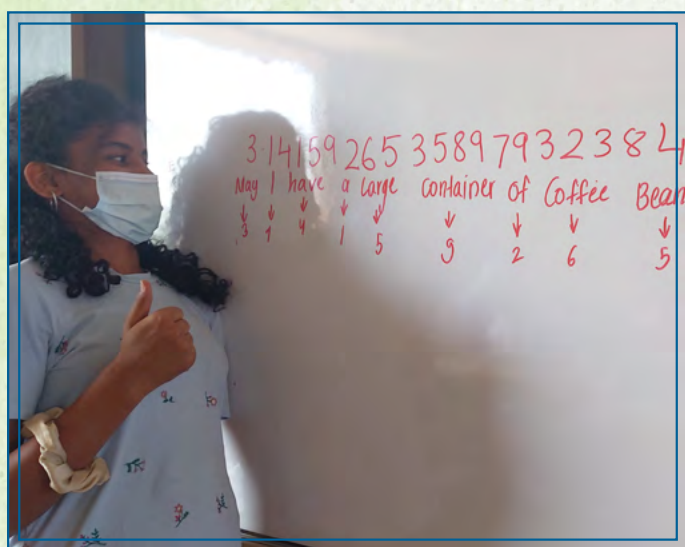

Our facilitator extended Mathematics concepts beyond the four-walls of the classroom for an experiential learning of Data Handling concepts. The students collected, recorded and calculated data to arrive at an appropriate Basal Metabolic Index (BMI) for individuals. In an extension activity the School Nurse presented a discourse on the importance of maintaining a healthy BMI.

HOLISTIC EXCELLENCE

Pi Day

A special assembly was organised on the occasion of Pi Day on March 14. One of the oldest and the most recognized mathematical constants in the world, Pi (π) is the ratio of any circle's circumference to its diameter. Amidst broad smiles and loud cheers of our eager learners we learnt a lot of interesting facts about the Pi.

HOLISTIC EXCELLENCE

National Science Day

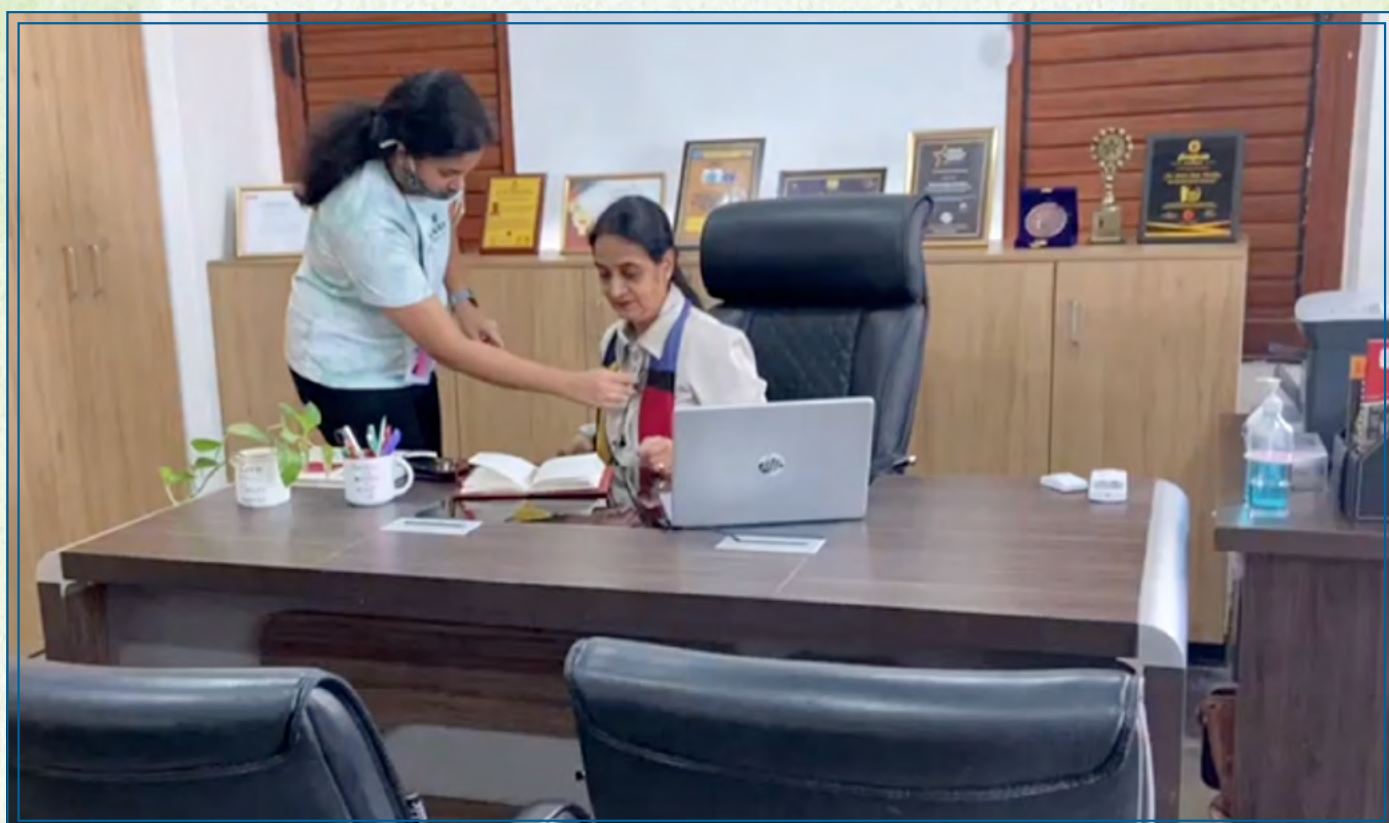

Each year, February 28 is celebrated as National Science Day to commemorate the discovery of the 'Raman Effect' by Indian physicist CV Raman. This year, the theme of the celebrations is 'Integrated Approach in Science and Technology for a Sustainable Future'. In an exciting event organised by the Science Department, the teachers reaffirmed our commitment towards fulfilling our collective scientific responsibility and leveraging the power of science for human progress.

HOLISTIC EXCELLENCE

Farewell Video Production

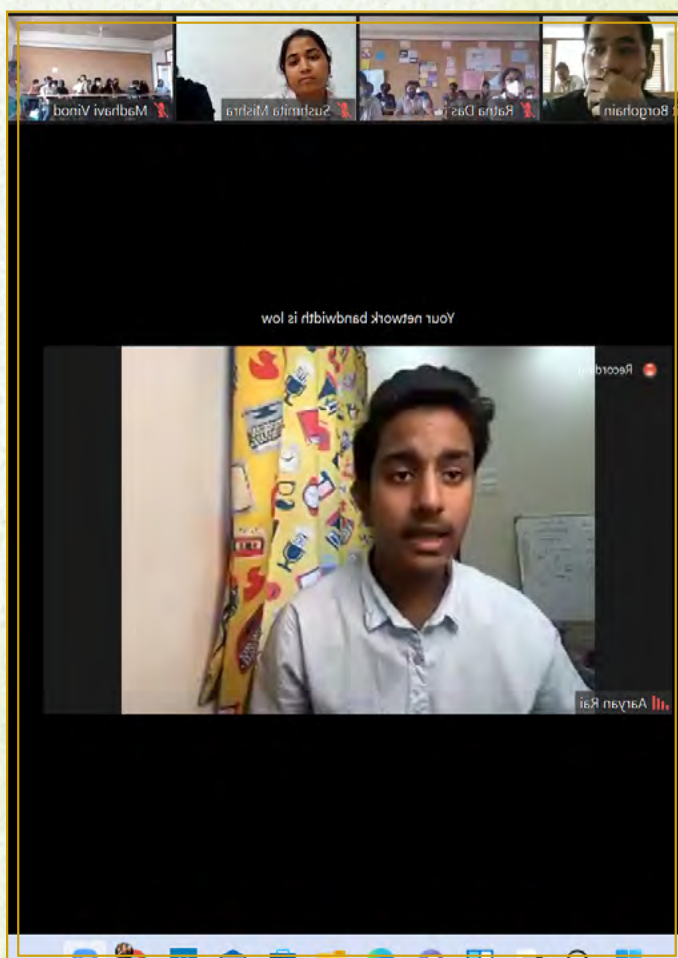

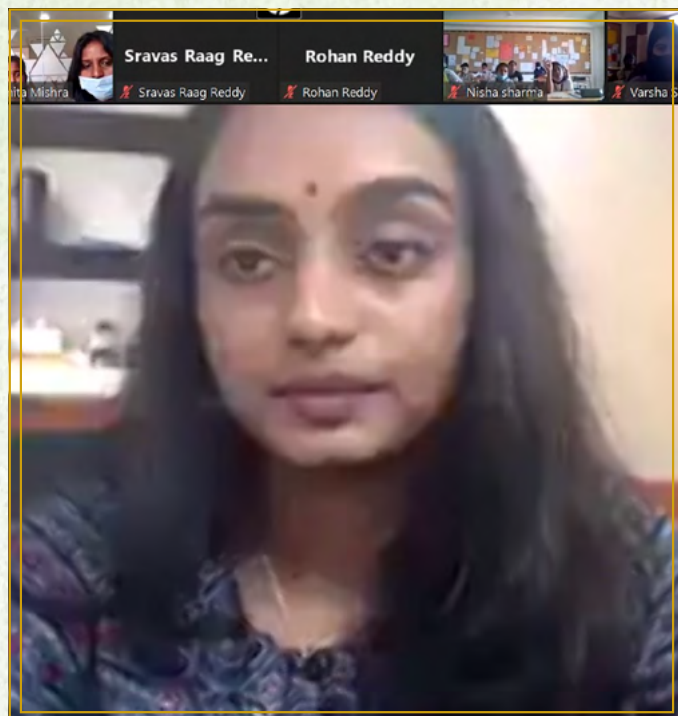

Nimble fingers behind the lenses, capturing a kaleidoscope of colours and sounds- this is a place where video artists come alive, lose themselves, find inspiration and rise to be their best versions. Recently the Mass Media students of Class XII had this remarkable experience of filming their first video interviews while compiling a digital presentation for the upcoming Farewell Ceremony. The enthusiasm was unparalleled; the bright eyes and wide smiles was in every bit a tale of this special accomplishment.

CORE VALUES

Talking Titans

In the recent Talking Titans session our Students were acquainted with diverse fields of knowledge. While Young gun Ms. Geetha Rukmini Thatikonda, an impassioned artist, showcased the vistas of opportunities in the field of art and advocated being cognizant of the colours around us and understanding how individuals perceive colours and make varied connections, 15- year old CEO, Master Aaryan Rai narrated his inspirational journey of building AR Digital Technologies, a name to reckon in the digital space. In yet another session, Honorary Professor at the Hyderabad Central University, Dr. Sivakumar Muthuswamy brought to the foreground the enthralling world of Physics.

CORE VALUES

Morning Assembly

Our morning assemblies are a time for reflection and a platform to express and exchange ideas directed towards achieving our vision. Assemblies on Wednesday's are ushering endless possibilities of starting the day with mindful breathing exercises to put the body and mind at ease. Students reflected and jotted down the joys of celebrating little things. We firmly believe the time spent on introspection during the assembly hour goes a long way in shaping the character of the young learners and we are taking a plunge in the right direction.

CORE VALUES

International Women's Day

International Women's Day is celebrated on March 8 to spread the message of gender equality and to embrace a society where there are no gender biases. This year, the United Nations declared the theme of the day as - 'Gender equality today for a sustainable tomorrow'. In a heart-warming gesture, the school management acknowledged the contributions of the women employees.

MINDFULNESS AND WELL-BEING

Yoga Day

At Gaudium, we have always valued the necessity of attending to our mental and physical well-being, which is why we have a pillar dedicated to Mindfulness and Well-being among the five developmental pillars that make up the Gaudium Happy Minds' Model. So, the advantages of Yoga are well understood by the proponents of the Happy Minds' Model. Once the significance and necessity of Yoga and how it is the most precious gift to the world on behalf of Bharat, were delineated, the PE teachers guided the gathering to simple stretches that need to be a part of our everyday routines.

MINDFULNESS AND WELL-BEING

Anti-Bullying Session

Worldwide anti-bullying campaigns seek to reduce instances of bullying in the community through several strategies; at The Gaudium we observe a zero-tolerance policy to instances of bullying as an approach to preserve the emotional and physical well-being of all stakeholders. In a recent Counselling Session, moderated by the School Counsellor, Ms. Meenakshi, the Students were educated about the behavioural patterns that amount to bullying. They were also empowered to identify, prevent, respond and report any such instances.

MINDFULNESS AND WELL-BEING

Fun Class Party

Celebrating the last days of the previous academic year and welcoming the new year with open arms, it was the time to relax, create happy memories, and share their favourite food with friends!

MINDFULNESS AND WELL-BEING

Physical Well-being

In yet another activity under the 'Ek Bharat Shrestha Bharat' programme the students were acquainted with tips and techniques to adopt a healthy lifestyle which in turn would lead to physical and emotional well-being. It was augmented by indulging in various fitness and sports activities popularly played in the state of Haryana in an attempt to solidify the students' understanding of the State's culture.

STAKEHOLDER ENGAGEMENT

Fun Activities on Last Day of Academic Session

It was time to unleash the power of creativity to mark the end of the previous academic year. The Students presented their imaginative side through their doodles, origami, calligraphy and costume designing skills. Indeed they created creative connections!

STAKEHOLDER ENGAGEMENT

Parent Orientation

Middle school comes with bigger responsibilities and greater challenges. Like always, we will stand by our Grade 5 Students moving to Class VI this year. Nonetheless, to facilitate a smooth transition and a progressive learning curve we partnered with the parents; this not only strengthened the bond between home and school, but also equipped them to confront the upcoming challenges head on. Parents were invited for a Curriculum Choice Orientation Session which outlined the stand-outs of each curriculum and helped them make informed decisions.

GLOBAL LEADERSHIP

AKS Education Awards Global Principals' Award 2021

Perseverance is the virtue that victors adorn and it needs a lifetime of a dedication to a cause that one truly believes in. Armed with her rock-firm belief in nurturing knowledge, in yet another bold masterstroke our visionary Principal- IB MYP-DP, Cambridge International, & CBSE, Ms. Shalini Singh Hamilton has bagged The Global Principals' Award 2021. The honour was bestowed upon her by AKS Education Awards, an organisation committed to recognising educational acumen. With her dynamic demeanour and steadfast endeavours, Ms. Shalini has been paving our way to excellence in leading, teaching and learning. The flurry of awards and the reverberations of the applause are cues that we walk on the path of distinction and with every leg of the journey there are new levels to be attained, new stories to be written and new lives to be touched. As fellow travellers in this journey, we solicit you to join us in celebrating our success and sharing the joy of our achievements.

GLOBAL LEADERSHIP

University Fair (International)

In the words of Henry Ford- 'Before everything else, getting ready is the secret of success'- thus, the Gaudium's philosophy of arming our Students with prudent foresight, being one-step ahead of their competition and the landscape, fits into our archetypal model of excellence.

Career Counselling at The Gaudium School is the process that primarily focuses on helping the students understand their own self, available career options & work-related trends, enable them to make an informed decision about their future career aspirations and put in concerted efforts towards realising their ultimate goals. The adolescent age is when they try to 'fit in' and the guidance from a career counsellor can really help them make the right choices as early as the high school years. To that end, On March 8, 2022, we or-

ganised our first face-to-face University Fair post the COVID ordeal with Seattle University representatives.

Ms. Trish Henley - Associate Provost, Mr. Rick Fehrenbacher - Vice Provost of Seattle University provided insightful information about the admission requirements, improving the chances of admission by building a strong portfolio and bagging a scholarship.

The chance to meet universities head on, interacting with official representatives, was the key benefit of the University event. In an after-event interaction, students spoke about the appeal of getting immediate personalized responses to questions, finding out more about the programs and funding opportunities on offer, and getting an idea of the application process - all reasons to attend in person, rather than just stick to online research.

GLOBAL LEADERSHIP

University Fair (National)

A Greek Philosopher once said that change is the only constant, and his word applies to the career options as well. The advent of technology has brought about many changes in our daily lifestyle and our mindset. It has opened vistas of opportunities and new ideas, and has enabled us to think beyond the conventional career paths and consider the new age careers of today, for a living. At The Gaudium, we always believe that these career sessions will help students to think about their careers at an early age and provide information about New Age Careers. To this effect, a session was arranged by GITAM University wherein the professors discussed the options that the students can choose in their future. They explained about the various options available like Blockchain Engineer, Digital Marketing Specialist, Social Media Manager, Artificial Intelligence, Professional Gamers, Social Media Influencer/ Youtuber, and Food Stylist. The students were happy to have their queries answered.

GLOBAL LEADERSHIP

Leadership Workshop

In the pursuit of strengthening The Gaudium's leadership, the management organised a sponsored customised leadership program **CLICKS** - Core Leadership Inspirations, Capabilities, Knowledge & Skills. It was a three day training program on March 24, 25 and 26, 2022. Moderated by Oscar Murphy Institute, it led to an insightful & thought-provoking experiential intervention. Our first batch of attendees had a cathartic experience at the workshop.

GLOBAL LEADERSHIP

Congratulations!

Chess

Master Arjun Adireddy from Class VII participated in the 19th Delhi International Open Grandmaster Chess Tournament held in Delhi from 22nd March - 29th March 2022.

Master Arjun has secured 2nd place

below 1800 category and also adding up 133 ELO rating points considered to be outstanding in a tournament.

He also stood at 65th position overall in the tournament where 300 players from 13 different countries participated.
