CBSE MS EDITION

December 2023

Message from the Head of the School

Dear Parents,

At The Gaudium School, we celebrate the core value of Gratitude in the month of December and find it so befitting to thank the universe for the blessings of the entire year.

This calendar year is closing, but every ending invokes the beginning of yet another beautiful year for us all. For that we sincerely express our gratitude.

The academic and non- academic ventures through the year were veritably the fine act of gardening, sowing seeds, refreshing and nurturing our flowers in the classrooms; sculpting and engraving with love, a heritage of values and goodwill ; honing skills that will go far beyond these gentle years of our student's lives, to yield rich dividends in wholesome living for their future. For this too, we are grateful.

We are ending this year with two strong messages for you, dear parents, from all of us- 'The World is one family, let us be united and harmonious and sustainable and sensitive to each other's needs; and a physically fit body supports a mentally healthy mind, so we wish fitness for all.'

May this season of good wishes and kindliness shower your homes with joy and warmth.

Let us meet in the new year with our hearts full of passion and our minds focussed on the goals for the rest of the academic year.

Our board examination students will need your presence, understanding of their needs and immense patience from you, as they do the last sprint to the summit...May the Almighty bless you all.

Kindest wishes of the season,

Sudeshna Chatterjee

Head- MS & HS

Message from the Coordinator- MS

Dear Parents and Students,

As we approach the end of this remarkable year, it's time to reflect on our core value for December: gratitude. This month, we've seen countless moments that have filled our hearts with appreciation for the dedication, resilience, and achievements of our students.

One shining example of this dedication was witnessed during our recent Annual Sports Day. It was awe-inspiring to witness students strike a balance between their academic responsibilities and their participation in the event. Our students not only showcased their sporting prowess but also managed their time efficiently, preparing and appearing for their periodic tests without compromising their enthusiasm for the sports events.

Following this, our school celebrated the success of the student-Led Conferences (SLC). These conferences are an essential platform for students to take charge of their learning journey, and this year's participation and engagement were exemplary. It's heartening to see our student's taking ownership of their progress and growth.

One of the most pivotal tools in the CBSE curriculum is the integration of art, and its culmination was a resounding success. What made this event truly special was our collective effort to ensure that no child was left behind. Each student had an opportunity to shine, fostering inclusivity and celebrating diverse talents.

Adding to the joyous atmosphere, our Christmas Assembly was a delightful affair.

The surprise Santa walk through all the classes, spreading festive cheer and showering candies, was a moment of pure joy and excitement for our students.

As we approach the end of the year and the start of the winter vacation, I want to extend my deepest appreciation to our students for their dedication, our teachers for their guidance, and our parents for their unwavering support.

I encourage everyone to make the most of this winter break, cherishing moments with family and friends, rejuvenating for the upcoming year.

May this vacation be filled with warmth, joy, and the spirit of togetherness. Thank you for your continuous support, and here's to an amazing new year ahead!

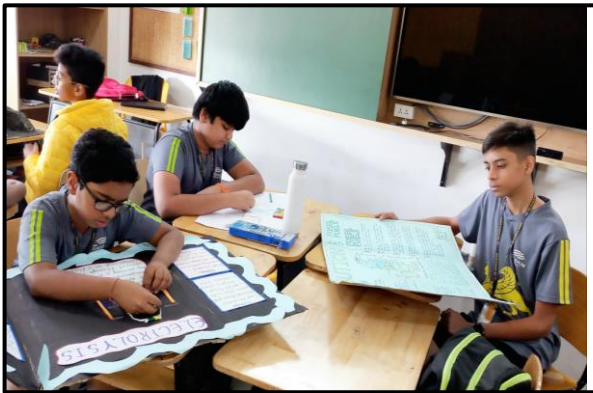

Sincerely,

Preeti Girish

CBSE MS Academic Coordinator

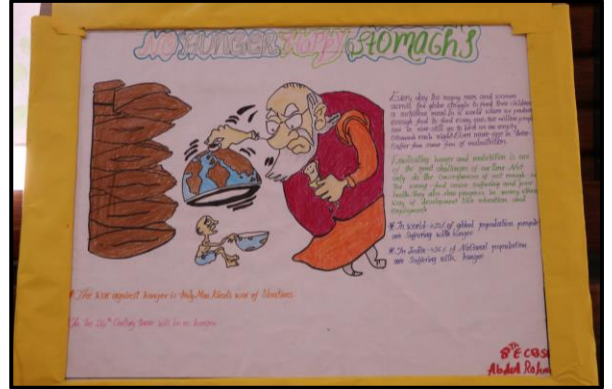

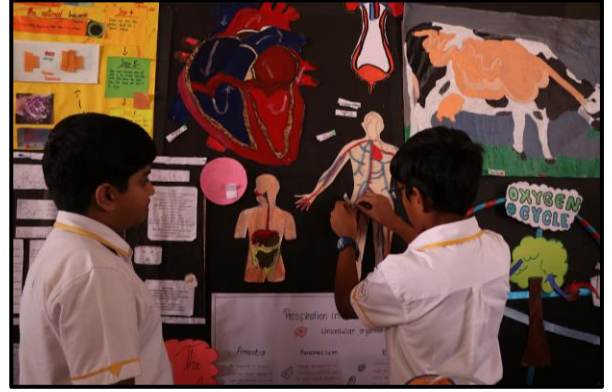

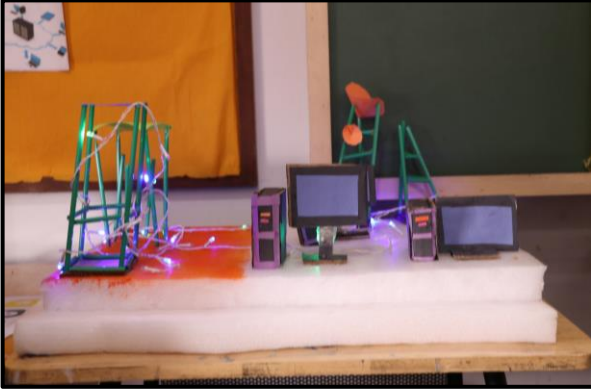

Holistic Excellence

Holistic Excellence Through Integration : A 360-degree holistic learning is possible in classrooms by integrating various academic concepts with arts.

Holistic Excellence

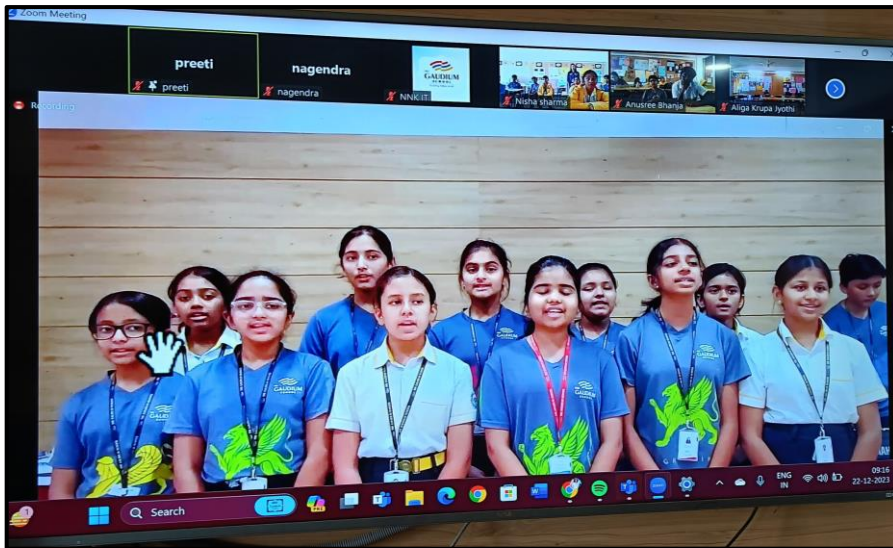

Integrating arts into the subjects brings not only brings JOY but also makes the learners ACTIVE which eventually leads to the development of 21st-century skills.

Mindfulness And Wellbeing

Sports Activities Conducted For Parents- Encouraging lots of safe and unstructured movement and play can help build a strong foundation for an active lifestyle.

Core Values

Class Assemblies

Our class assemblies are a dynamic blend of creativity and collaboration. Students shine as they present captivating performances, and meaningful messages.

These assemblies not only showcase our collective talents but also reinforce the spirit of unity within our school community.

Core Values

Christmas Day Celebrations -Christmas joy echoed through the halls during our festive assembly, where students and teachers gathered to sing heartwarming carols. The spirit of the season embraced every classroom as the carolers spread cheer, creating a harmonious blend of music and merriment. It was a delightful celebration that brought our school community together in the warmth of holiday spirit.

Core Values

Young Readers at the Book Fair

We at Gàudium encourage our students to take time to reflect on their reading experiences with reading programs. We believe a dotted reading aids in numerous ways, it helps to develop good writing skills. The school has many young authors emerging with their writing abilities.

Global Leadership

ISOCSEA exam & SOF exam- Congratulations echoed through our school as our students achieved remarkable success in the ISOCSEA and SOF exams. Their dedication and hard work were rewarded as many young minds secured impressive positions. We take pride in their achievements and look forward to witnessing more milestones in their educational journey.

Global Leadership

Rewards and Recognitions

Congratulations on The Gaudium's outstanding achievements! Being ranked 2nd in the Fully Owned Pre School category and securing top positions in "Innovative Teaching and Learning," "Safety and Hygiene," and "Infrastructure" categories is truly commendable. It reflects the great vision of our founder and director. Well done to everyone involved in this remarkable journey!

Congratulations to Nishka Agarwal on securing both a gold and a silver medal at the National School Games in New Delhi. Kudos to Gymnastics mentor Manoj Rana and the dedicated coaching team for their contribution to her success!

Global Leadership

International Chess Federation - FIDE Master

Adireddy Arjun from CBSE has obtained the title of FIDE Master for the year 2023

Rewards and Recognitions

Happy to share that our School Gymnasts Tiana Mehta 8 CI and Prisha Batordra MYP and Sportopia Gynmast Sukhada) have won 10 Gold Medals and 5 Silver Medals in the State level School Championship held at Warangal. All are selected for School National Championship going to held at New Delhi. Congratulations to Mr Manoj Rana and all our Gymnastics coaches.

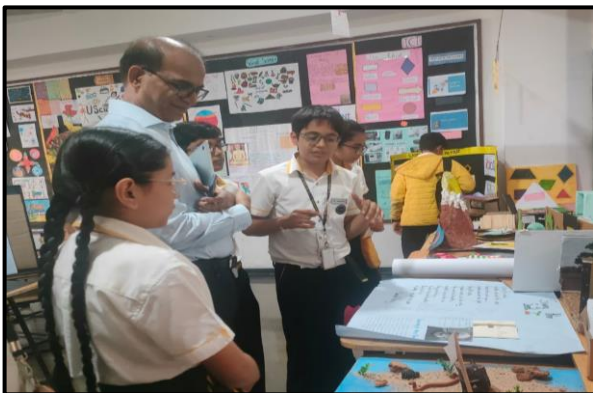

Stakeholder Engagement

At the **Student-Led Conference**, our students stole the spotlight with their amazing projects and charts. With creativity on display, they guided parents through their learning journey, sharing insights into their progress. It was a proud moment for both students and educators, emphasizing the collaborative spirit that makes our school community thrive.

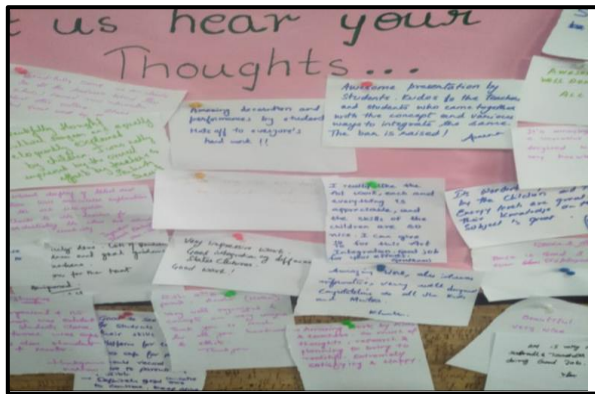

Stakeholder Engagement

Student-Led Conference- Students showcased their learning in various subjects through the Student Led Conference. It let the students engage in deeper self-reflection. It was a chance for students of middle school to display and conduct a meeting with their parents and teachers during which time they shared their learning and their work. This opportunity helped students take ownership of their learning, reflect upon big ideas, and hone their presentation skills.

Stakeholder Engagement

Student-Led Conference - Parents witnessed their child's skills, live in action, and participated actively in their learning. The efforts of the students and teachers was recognised and greatly appreciated by our respectable CEO, Mr. Ramakrishna Reddy. It helped boost the students' confidence and encouraged students to think beyond regular textbooks and come up with their creative ideas.

Stakeholder Engagement

Annual Sports Day 2023-24

Sports for Vasudhaiva Kutumbakam : A celebration of unity and global harmony

Sports For All- All For Sports

Stakeholder Engagement

SPORTS DAY - Sports teach discipline, respect, friendship, leadership, resilience, teamwork and overcoming adversity. It is a crucial part of a student's growth and development. A good school aims to improve a student's physical abilities and helps them learn a sense of good sportsmanship.

Stakeholder Engagement

Parent orientation for the trip in January

An orientation programme was held wherein the parents were given a walkthrough to the guidelines of the upcoming Jaipur- Agra and Delhi - Nainital trip. Parents clarified their doubts and gave their suggestion and opinions regarding the trips.
